HOROSCOPE *by Jacqueline Bigar*

Today's Birthday (March 19). This year your emotional creativity and intuition guide you.

Aries (March 21-April 19) ★★★★ You could have a change of heart about an important matter after an open and revealing conversation with a loved one. Tonight: Hang out with a loved one.

Taurus (April 20-May 20) ★★★★ Others might reveal far more than you realize in a conversation. Having a delayed reaction and/or a need to rethink and evaluate your ideas would be natural. Tonight: Go along with someone's request.

Gemini (May 21-June 20) ★★★ Your feelings in the morning could change once you understand the depth of dealing with an older relative or a boss. Tonight: Incorporate a stress-reducing activity.

Cancer (June 21-July 22) ★★★★ You might have felt as if you wanted to retreat and start a project or interaction all over again. Use your intuitive sense to open a door. Tonight: A loved one invites you out.

Leo (July 23-Aug. 22) ★★★ You are on top of your game. You know where you are heading and why. Communication will seem to dull in comparison to your creative thoughts. Tonight: At home.

Virgo (Aug. 23-Sept. 22) ★★★★ Take a careful look at a financial matter, and know that you might need to get input from others. You could have one idea that seems very good, but you still need feedback. Tonight: Hang out.

Libra (Sept. 23-Oct. 22) ★★★★★ Hopefully you have maximized the past few days. Be willing to look at what all the recent activity means to you. An investment might go beyond being financial — it also could be emotional. Tonight: Make it your treat!

Scorpio (Oct. 23-Nov. 21) ★★★★ Listen to feedback, and understand what is happening behind the scenes. You might have had a quick glance, and now you have to look toward integrating some of this knowledge. Tonight: Beam in more of what you want.

Sagittarius (Nov. 22-Dec. 21) ★★★★★ You could be off-kilter today. Understand what is happening with an investment, as vagueness seems to surround the issue. A partnership is likely to increase in importance to you. Tonight: Togetherness is the theme.

Capricorn (Dec. 22-Jan. 19) ★★★★ You barely can deal with someone and his or her many needs. You could find it difficult to complete a personal matter because of the intervention of others. Tonight: In the moment.

Aquarius (Jan. 20-Feb. 18) ★★★ Follow your instincts when dealing with a personal matter. Think in terms of getting together with a loved one. You will have an opportunity to catch up on news. Tonight: Stop at the gym or get exercise some other way.

Pisces (Feb. 19-March 20) ★★★★ A conversation keeps echoing in your mind. Detach from the small story or the minor details. Look at the implications involved. Tonight: Where the music is.

Stars indicate the type of day you'll have: five stars, dynamic; one, difficult.
